SUBJECT: Request for Source/Origin Waiver: Procurement of Four
Vehicles for the Ecuadorian National Police SIU Unit

¶1. Issue: Post requests a source origin waiver from
geographic code 000 (United States only) to geographic
code 935 (Special Free World) to permit the procurement of
vehicles in the Host Country local market for operational use by
the Ecuadorian National Police's Sensitive Investigative Unit
(SIU).

Cooperating Country: Ecuador

Authorizing document: LOA dated August 21, 2009

Project: Sensitive Investigative Unit - SIU

Nature of funding: Sensitive Investigative Unit Funds FY-08

Description of commodity: Foreign-manufactured vehicles

Quantity - 4 2010 Chevrolet Aveo Emotion, 4 door sedan, T/M 1.6L,
A/C, manual transmission

Approximate total value: USD 66,000.00

Origin: Special Free World

Source: Ecuador

Contracting agent: GSO

¶2. Discussion: These vehicles will be used for surveillance
operations by the National Police Special Investigations Unit. The
SIU is a highly effective unit of the National Police's Anti-Drug
Directorate and cooperates closely with DEA Quito office. For the
security of undercover personnel and operations, it is necessary
for the SIU to use nondescript vehicles that are locally common
rather than the more conspicuous and distinctive U.S.-manufactures
vehicles. The requested vehicles are a needed fleet expansion.

¶3. Recommendation: For the reasons stated above, we recommend

approval of this request for a source/origin waiver to permit acquisition of these project vehicles in Ecuador.

¶4. Please expedite reply. Thank you.

¶5. Signed: Drew Schufletowski, NAS Director, Narcotics Affairs
Section, U.S. Embassy, Quito, Ecuador.
